SPECIAL NOTICES

Colonial Village neighborhood:
The intersection of E. Sunrise Avenue and Montana Drive will be blocked off from 6:00 PM to 8:15 PM for a Halloween block party. All residents are welcome with non neighborhood residents asked to park on E. Sunrise and walk thru the neighborhood.

Dollar General:
1 yr. Anniversary and customer appreciation day. October 31, 2015 from 11:00 AM to 4:00 PM. Hot Dogs, DJ and door prizes.

WHEN DO YOU NEED A PERMIT

If you are considering building a new home or garage, or adding an accessory structure, it is important that you get the appropriate permits. A permit insures that your construction project complies with zoning and stormwater regulations.

Your first stop is City Hall. City staff will sit down with you to discuss your construction project and lay out what you need to get started. Beginning with our development review checklist, we will discuss the steps you need to take and determine whether or not a permit is required.

The cost of permits range from \$0 to more than \$300.00 depending on the complexity of the project and the level of technical review required for approval.

PERMIT INFORMATION:
Trinity Planning Dept.: 431-2841
Development ordinances and fee schedule may be viewed online:
www.trinity-nc.gov

Maintenance Storage Building Update

The building has been completed and is in full operation for the storage of all city maintenance equipment. The building is located behind the City Hall Annex, 6703 NC Hwy 62.

Regular Meetings are held **second** Monday of each month at **6:30 p.m.**

Public Safety Board

Meets fourth Thursday of each month at 6:30 p.m. (As Needed)

UPDATES TO THE DEVELOPMENT ORDINANCE

Updates to the City's Development Ordinance was needed to help create a more development friendly environment and easy in following the development ordinance. The City has revised its Land Use Plan, Zoning Ordinance, and Subdivision Regulations. Some of the highlights of this endeavor are as followed:

- Creation of another Regional Center around the I-85/Hopewell Church Rd.
- Removed Overlays from the Zoning Ordinance.
- Banners are now a new tool that can be used for advertising purposes.
- Changes of the requirements for sidewalks, curb & gutter, and bike lanes have been added to make it less costly for developers to consider commercial and subdivision development.
- Subdivision Ordinance has been streamlined to reduce meetings and make it more efficient so that subdivision plats can be approved efficiently and reduce the cost for developers.
- For more information, please call the Planning Director, Marc Allred.

NEW BUSINESSES IN TRINITY

Please remember to support your local businesses in Trinity. We have two new restaurants in Trinity, BBQ Joes and Trinity Grill on NC 62.

Automobile need an inspection, oil service, or repairs? Take it to H&H Automotive Repair at the intersection of NC 62 and Mendenhall Rd Extension.

Monday December 14, 2015 from 4:30 to 5:45 with refreshments.

6:00 PM Pre-Agenda & Council Meeting

DONATIONS TO COAT: Drop off non-perishable food items at City during regular business hours and meeting nights. Community Outreach of Archdale-Trinity serves local residents in need of assistance.

Effects of stormwater runoff

Septic System Maintenance. If you have a septic system, it's important to properly maintain it. Failed or broken septic systems can threaten the health of humans and wildlife in a watershed by releasing harmful microbes and chemical contaminants. Even the most efficient tanks require regular maintenance every year or two. If you see excessive moisture or standing water in the drain field, noxious odors in the yard, dead grass or other plants over the drain field, depressions around or over the septic tank, or slow or plugged drains it's time to call a licensed professional and make sure your tank is maintained.

DON'T FEED THE GREASE GOBLIN!
The GREASE GOBLIN Causes Sewers To Overflow.

DO !

- ✓ Put oil and grease in collection containers
- ✓ Remove oil and grease from kitchen utensils, equipment and food preparation areas with scrapers/towels/brooms
- ✓ Keep grease out of wash water
- ✓ Place food scraps in collection containers

DO NOT !

- ✗ Pour oil and grease down drains
- ✗ Wash fryers/griddles, pots/pans, and plates with water until oil and grease are removed
- ✗ Use hot water to rinse grease off surfaces
- ✗ Put food scraps down drains
